▣ Education

Bachelors in Computer Science

National Textile University Karachi Campus • 2025-2029

◆ Featured projects

AirShare | Real-Time File Sharing Web App

Built a seamless real-time file sharing system using Supabase Storage and Postgres for database management. Implemented a secure, responsive dark UI optimized for fast transfers, utilizing JavaScript for core logic.

HTML5 CSS3 JavaScript Supabase Realtime Database Cloud Storage

SmartStore Admin Dashboard

Developed a modern e-commerce dashboard UI using React (Fundamental) and Firebase. Focused on secure Firebase Authentication and managing dynamic data persistence

React JavaScript HTML CSS Firebase

DebugMate AI — Smart Code Solver

Created a developer tool that uses External APIs to solve coding errors in real-time. Integrated advanced CSS animations and modern aesthetic design for a premium user feel

HTML5 CSS3 JavaScript API Integration
